

TRAINERS INFORMATION AND MANUAL

Entries must be submitted online via the website www.bgalopf.be of the Belgian Federation of Horseracing-Galop (also known as BGF). For trainers not using the internet access, an administrative cost of €10 per entry will be charged.

Before being able to lodge your entries via the website, a trainer must be recorded as such and obtain his Username and Password. An annual subscription fee of 30€ will be charged to the trainers for the use of this service.

Once logged in as a trainer, you will need to register those horses you intend to race in Belgium and who are not yet registered in the BGF, (especially those horses that have not yet run in Belgium), on your training-list by mail to BGF. This notification must be registered 48 hours before the first registration of a race by mail to BGF.

- At the approach of an entry-date of a race, sign in using the "**Pros**" button (far right, up on the homepage of www.bgalopf.be).

- Enter your **Username and Password** and **Login**.

Login

Username:	<input type="text"/>	Login
Password:	<input type="password"/>	Cancel

- To check if the horses you intend to enter are duly registered on your training list, click on "**Horses**". Here you will find the complete list of your already registered horses (only visible with your own Username and Password).

- If you click on "**Races**" (1), you will find the date of races for which you can do declarations (eg. 30/10/2017) (2). When you choose for "**Eng**" (3) and for race number 17019BB010 (4) you will find a list of your horses, but limited to those horses qualified for this specific race. Note that the following deadline is highlighted with red and the next one with orange.

You can now lodge entries, by clicking on the chosen horse in the column "**Entry**" (5) followed by "**Submit**"(6) + "**Back**" (7).

(In this example, the horses "Paard10" and "Paard20" are registered for race n° 17019BB010 PRIX DES ROSES)
